

Product Take Back Program

In order to be good stewards of our products, Knú LLC offers a Product Take Back Program as a more viable solution to the end of our products' originally intended life.

Knú LLC supports the sustainable programs of ANEW and offers their added value to our clients through a comprehensive take-back solution for surplus office furniture and materials of any kind, in any condition. ANEW is a 501 (c)(3) non-profit organization that exists to provide companies with smart, cost effective alternatives for their surplus furniture and other items with the priority of matching it to non-profits, public agencies and the underserved, within the local community of the project site. Corporate Social Responsibility is raised while the impact on the environment is lowered by diverting products and materials otherwise destined for landfill.

Knú LLC is proud to offer ANEW to customers dedicated to strengthening their community network by repurposing their furniture, fixtures and architectural materials to those in need. In 2014, Knú LLC committed to making this relationship a part of our strategic sales strategy. Visit www.anewfound.org to find out more.
