

Lobby/Guest Seating: Companion, Florin, Gratzi, Kadia, Koncert, Lobi, Odeon, Sparta Series

What to expect:

Disassembly Time: 15-20 minutes per chair (General)
(allow additional 20-30 minutes for detailed component disassembly)

Tools needed:

- Personal Protective Equipment (Safety Glasses)
- Screwdrivers (phillips #2, #3)
- Utility Knife (to save time and minimize risk of injury, cut around upholstery staples, when possible)

Material Content:

- Wood
- Metal (♻️ steel)
- Poly Foam
- Textile (fabric/vinyl)

Component Content:

- Base/Arm Frames: (Finished solid wood or metal (♻️ steel), arm caps (plastic, urethane/steel), hardware bolts/screws)
- Seat: (plywood w/staples, woven (rubberized) webbing, poly foam, textile w/staples (fabric/vinyl), t-nuts (♻️ steel))
- Back: (plywood w/staples, poly foam, textile w/staple (fabric/vinyl), t-nuts (♻️ steel))

Lobby/Guest Series: (♻️ steel frame)

Back Removal:

- Loosen the bottom bolt (phillips screwdriver) of each mounting bracket and lift back assembly off the frame
.....
- Pull/cut fabric to allow access to each mounting bracket, remove (2) mounting bolts (phillips screwdriver), recycle the brackets (♻️ steel)

Arm Removal:

- Remove the retaining screw (phillips screwdriver) from each arm post, use a mallet to remove top arm

Seat Removal:

- Remove (2) mounting bolts (phillips screw driver) from bottom of each side and separate from base and recycle the frame (♻️ steel)
