

350 SERIES

The 350 Series at a Glance

Boasting several different designs and functionalities, the 350 Series is one of our broadest categories. Designed specifically for controlled environments, such as senior living, wellness rooms, or office lounges, the 350 Series offers seating with several different types of functionality to meet a diverse range of needs. The common thread among all 350 Series models is the trusted comfort we have come to be known for.

350 Series Products by Function

Glider Recliner

Power/Power & Lift Recliner

Room Saver® Recliner

Body Weight Activated Glider

Three Position Recliner

Model K0017 | Kure Three Position Recliner

GLIDER RECLINER

Model RC1306 | Rema Style Glider Recliner

The Glider Recliner is a time-tested staple of our senior living recliner offerings. The smooth gliding motion soothes users, while a quick pull of the handle puts the chair into the reclined position for comfortable respite. To promote maximum safety for users, the gliding function locks once the recline handle is engaged.

Weight Capacity: 350 lbs

Aesthetic Styles*: Rema, EV, Koncert, K-Komfort

Arm Cap Availability: Solid Surface, Urethane

Features: Mid-Ottoman Calf Support,
Removable Back for Cleanability,
Lumbar Support

*See pg. 5 for style images

GLIDER

Model E1716 & GOT00 | EV Style Glider and Gliding Ottoman

The Glider selection within the 350 Series brings users a calm gliding motion that makes it among our most comfortable seating options. The glide mechanism is activated by the user's body weight, so it remains stationary until the user takes a seat, then securely locks into place upon egress. The optional Gliding Ottoman provides synchronized motion to the legs for an enhanced experience.

Weight Capacity: 350 lbs

Aesthetic Styles*: Rema, EV, Koncert

Arm Cap Availability: Solid Surface, Urethane

Features: Body Weight Activated Gliding,
Removable Back for Cleanability

*See pg. 5 for style images

POWER / POWER & LIFT RECLINER

For simple and convenient operation, the Power Recliners within the 350 Series are fully operated via an attached control wand to allow caregivers or users of any ability level to recline or return to the sitting position. Power & Lift models add in the ability to assist users from the seated to standing position using the same control wand.

Weight Capacity: 350 lbs

Aesthetic Styles*: Koncert, K-Komfort

Arm Cap Availability: Solid Surface, Urethane

Features: Mid-Ottoman Calf Support,
Removable Back for Cleanability,
Control Wand

**See pg. 5 for style images*

Model KC8L14 | K-Komfort Style Power & Lift Chaise Recliner (without Back Seam)

ROOM SAVER® RECLINER

The Room Saver® Recliner was designed specifically to function fully within environments where space is limited. The proprietary recline mechanism eases the body of the chair forward when engaged to allow the user to fully recline when the recliner is only six inches from a wall.

Weight Capacity: 350 lbs

Aesthetic Styles*: Rema, EV, Koncert, K-Komfort

Arm Cap Availability: Solid Surface, Urethane

Features: Stationary Base
Removable Back for Cleanability,
Handle-Assist Leg Rest Closure

**See pg. 5 for style images*

Model RC1304 | Rema Room Saver® Recliner

THREE POSITION RECLINER

Model K0017 | Kure Three Position Recliner

The Three Position Recliner option within the 350 Series showcases a sleek, traditional design that forgoes a handle for operation. Users transition between sitting, foot rest out, and fully reclined positions by simply pushing on the arms and leaning back, or applying pressure with their legs to return to the seated position.

Weight Capacity: 350 lbs

Aesthetic Styles*: Kure

Arm Cap Availability: Solid Surface, Urethane

Features: Mid-Ottoman Calf Support,
Removable Back for Cleanability,
Optional Casters

**See pg. 5 for style images*

BACK & ARM STYLES

All 350 Series categories feature fully upholstered arms as a standard, with optional arm caps available in the following materials for added protection:

Solid Surface • Urethane

Each function category within the 350 Series is also available with multiple back styles, providing different contours and an option of stitching along the cushion.

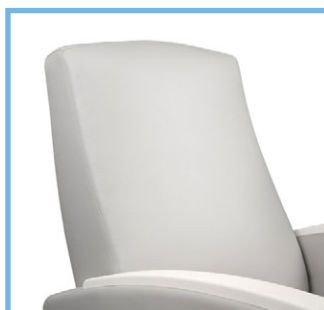

(See individual category section for available styles)

Fully Upholstered Arm

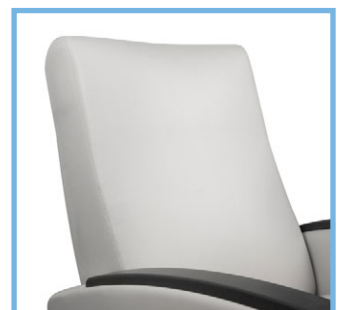

Arm Cap

EV Style Back

Rema Style Back

Konzert Style Back

**K-Komfort Style consists of upholstered tapered arms and selection of back with seam (Rema) or without seam (Konzert).*

350 Series by Application

The different functional categories within the 350 Series allow it to meet a variety of needs across a spectrum of applications. All products that make up the 350 Series are ideal solutions for senior living environments, while user ability and other considerations make some options better suited for particular settings.

	LONG TERM CARE	SKILLED NURSING	ACUTE CARE
Glider Recliner*	●	●

Power / Power & Lift Recliner	●	●	
Room Saver® Recliner**	●	●	
Three Position Recliner	●	●	
Durable® 550 Series	●	●	●
Durable® 650 Series	●	●	●

*Glide motion is only locked when Glider Recliner is in reclined position. Glide motion on Glider (non-recliner) locks when user exits seat.

**Recliner is closed with legs and assisted with handle, therefore some core strength is needed for operation
