FEATURES + SPECS

"Gather together in one place for a common purpose."

Assymble provides the maximum comfort and flexibility in a modular lounge product that spans from single chairs, two-seaters and three-seaters, to inside and outside corners, to one, two and three seat benches. With the extensive product line it is easy to create a unique combination to fit any space. Tables are a combination of upholstery bases and rigid thermofoil tops and have power options to offer comfortable and convenient work and charging stations.

The Assymble construction features a multi-ply hardwood frame and heavy gauge steel springs in the seats and backs. All models were engineered with a ganging feature to allow for easy grouping. Assymble offers a choice of upholstered arms, urethane, or solid surface, along with the option of tablet arms.
