ORDER INFORMATION

Purchasing

All prices shown in this price book are list prices in US Dollars. Prices are subject to change without notice. The customer's purchase order must include complete information or order will be held from production until all information is provided. The customer bears sole responsibility for order correctness. Orders are subject to Knú, LLC's terms and conditions, regardless of the terms and conditions set forth on the buyer's/customer's purchase order forms. All customer orders must receive credit approval before the order can be entered into production.

Mail, Fax, or E-mail Purchase Orders To
Knú, LLC DBA La-Z-Boy Healthcare | Knú Comfort
P.O. Box 9, Ferdinand, IN 47532
Phone: 812.367.2068 | Fax: 812.367.2493
E-mail: orders@getknu.com

Payment Terms

Terms are NET 30 days from shipment. If an invoice is not paid in full, within the terms, a monthly finance charge will be assessed at a rate of 1.5% per month or the highest amount permitted by applicable state law. The customer will be liable for any collection and/or attorney fees incurred in the collection of past due accounts.

Selling Information

Distribution of this price list does not in itself constitute an offer to sell. Orders may only be placed by customers authorized by Knú, LLC management.

Order Acknowledgment

The customer will receive an order acknowledgement by e-mail or fax. Upon receipt of this acknowledgement it is the customer's responsibility to check the accuracy of the order and notify customer service of any errors. Once an order is acknowledged, Knú, LLC will be responsible for shipping exactly the items acknowledged at the prices acknowledged. No changes may be made once an order has been placed into production. The order will be shipped upon completion of production. Every effort will be made to ship orders within the acknowledged ship dates. Acknowledged ship dates, however, are contingent upon conditions beyond our control. We cannot make promises for delivery dates as service by transportation companies varies from destination to destination.

Order Cancellations

Cancellations must be communicated via email or fax to customer service and not to the sales representative. A cancellation penalty will apply. After an order is acknowledged and placed into production, cancellations cannot be accepted.

SHIPPING

Packaging

All prices include packaging. Assembled chairs are normally shipped one per carton unless otherwise specified. All of our packaging and cartons meet or exceed ICC specifications.

Freight Terms & Conditions

All product is shipped F.O.B. the Knú, LLC factory, with freight prepaid to the continental U.S. destination (dealer's dock or territorial warehouse) and does not include home delivery. International shipments, shipments to Puerto Rico, Hawaii, and Alaska are freight prepaid to the port of exit. For special packing for these shipments, call Customer Service for quote. Customers must select a standard delivery location for their orders. Docks at the selected delivery location must be equipped to handle a 53' trailer. When a Knú, LLC customer/dealer warehouse is selected as the default delivery location, it is understood that Knú, LLC pays freight cost to the default delivery location only, and no further. The customer is responsible for all charges from this point. Knú, LLC utilizes freight carriers that are dedicated furniture specialists. For all deliveries, it is understood that Knú, LLC or its agents are making a dock delivery only, and any further work of truck unloading, delivery beyond the dock, installation, and/or removal of packaging is not authorized or paid for by Knú, LLC. Home delivery is not included and must be negotiated prior to order placement. For all deliveries, whether to the customer location or drop shipment, any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), will result in service charges applied at the rate of $75 per hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged.

International shipments, shipments into Puerto Rico, and shipments into the states of Hawaii and Alaska are freight prepaid to the port of exit. Please call Customer Service for a quote on special packing for overseas container shipments. Knú, LLC reserves the right to implement a fuel surcharge or freight fee and also reserves the right to select the most appropriate F.O.B. point, carrier, and routing on all shipments. Orders with a LIST total of $4,000 or less are subject to a $250 Shipping and Handling Fee. All Knú, LLC products are carefully inspected and properly packaged by trained personnel before leaving the factory. The transportation company assumes full responsibility for safe delivery upon acceptance of the shipment. All shipments are delivered to the freight company in good condition. If a shipment is received that has visible damage,

product shortages or if delivery has been delayed by the freight company the following steps must be taken:

1. Before signing for the merchandise, make notations of all visible damage and/or shortages on the Bill of Lading. The delivering freight company may not accept responsibility for damage and/or shortages if proper notification of the alleged problem is not given when signing for the merchandise. If visual damage is not apparent, sign the delivery receipt "no visual damage". This will allow recourse for a concealed damage claim. Claims for freight damage, concealed or otherwise, must be filed within ten (10) days of the original delivery date.

2. Do not refuse merchandise damaged in transit. The delivering freight company (not Knú, LLC) is responsible for damage to goods which occur in transit or storage.

3. Failure to make claims against Knú, LLC or its designated carrier within ten (10) days shall constitute acceptance of the merchandise and a waiver of any defects, errors, or shortages discovered upon inspection.

4. If a claim is filed you must retain all shipping cartons and packing material for inspection by the carrier agent.

Freight Policy

As of July 15, 2022, a freight fee will be effective on standard productions orders in the amount of 2% of the List total.

Storage Policy

Upon written notice, Knú | La-Z-Boy will provide storage, once an order is completed, for up to five (5) calendar days at no charge. Any order requiring storage beyond five (5) calendar days will be subject to a storage fee.

SERVICE

Return Merchandise

No returns of merchandise will be accepted without written authorization from Knú corporate office customer service. Before a return of merchandise is authorized, Knú factory sales representative reserves the right to inspect the furniture in question. Any item(s) that has been approved for return must be returned properly packed and in the original factory carton. All freight charges for returned product are the responsibility of the customer. Unauthorized returns will not be accepted and will be returned to customer freight collect. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason given for the return stated on the authorization form. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of the credit issued.

Customer Satisfaction

Our goal at Knú, LLC is to ensure that our customers are completely satisfied with our products. If a problem arises with La-Z-Boy Healthcare | Knú Comfort after the warranty period, Knú, LLC will make its best effort to satisfy the customer in a manner that is fair to all concerned.

IMPORTANT NOTES

1. COM orders must contain the fabric supplier name, pattern name, and color name of the pattern you wish to order.

2. Directional covers, such as stripes, patterns, and plaids may not meet your satisfaction due to contoured shapes and tufting on some furniture styles. Should one of these designs be selected, we will do our best to manufacture the furniture to meet your satisfaction. However, such orders are not subject to return.

3. Textiles listed are supplied by the fabric suppliers and not all colors of the textile listed may be available.

4. Once an order for cut yardage is acknowledged, adjustments or cancellations will result in a restocking fee for the purchase price of the fabric.

5. Not all textiles are available in CAL 133.

6. Non-Warranty Service Orders: Please Call Customer Service for Pricing. (812.367.2068/phone)

LIMITED LIFETIME WARRANTY

Knú, LLC dba La-Z-Boy Healthcare | Knú Comfort warrants the products it manufactures against defects in material and workmanship under normal use and service for the expected useful life of the product from the date of shipment. This limited warranty is valid only to the original purchaser using the product for its intended purpose, provided the product is covered in its original cover. This warranty does not apply to expected changes resulting from normal wear and tear, use and aging of the product. Specifically excluded from this limited warranty are defects and damage resulting from abuse, neglect, misuse, or excessive use. Product alteration, substitution of components or materials, improper cleaning or repair, and installation and handling damages are also not covered by this warranty. All other express or implied warranties made by agents, dealers, sales representatives or any other representatives, including any warranty of merchantability or fitness for a particular purpose, are hereby excluded.

There are no representations as to the capacity or performance of the products sold hereunder except as set forth in the price book or quotation specifications, if any, and such representations are expressly conditioned upon the correctness of the data furnished by purchaser and upon the products being properly installed and maintained.

Knú, LLC's sole obligation shall be to repair any defective product or product component covered under this warranty, including shipping and labor, during the warranty period. In no event shall Knú, LLC be liable for any consequential or incidental damages, including lost profits or revenues incurred by the purchaser with respect to any goods furnished by Knú, LLC. Expenses incurred by purchaser in repairing or replacing Knú, LLC's product must be pre-approved in writing by Knú, LLC.

Knú, LLC offers no warranty on the following product components or characteristics: all forms of upholstery, including fabric, vinyl and leather, as well as wood grain, color and texture. Knú, LLC offers no warranty on COM, COL, or any other special order fabric used at the request of the Purchaser.

Warranties offered by cover suppliers to Knú, LLC, if any, are hereby assigned to Purchaser.

In the event a product has to be returned to the factory for verification of a defect and/or repair, it must be pre-approved in writing by Knú, LLC, freight pre-paid, and include a copy of the original invoice with the date and name of original purchaser.

Knú, LLC hereby assigns to the original owner any and all warranties offered by its component suppliers. To the extent the terms of these warranties differ from the terms of the Limited Warranty, the terms of the suppliers' component warranties shall apply. However, Knú, LLC does not guarantee that the component supplier will comply with any terms of the warranty of such supplier.

KNÚ, LLC WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES INCLUDING ANY LOSS, EXPENSE, OR DAMAGE OTHER THAN TO THE PRODUCT ITSELF THAT MAY RESULT FROM A DEFECT IN THE PRODUCT. SOME STATES DO NOT ALLOW FOR THE EXCLUSION OR LIMITATION OF CONSEQUENTIAL AND INCIDENTAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY.

KNÚ, LLC MAKES NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THESE AND ALL OTHER IMPLIED WARRANTIES ARE SPECIFICALLY DISCLAIMED. SOME STATES DO NOT ALLOW AN EXCLUSION OR LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY.

THIS WARRANTY GIVES YOU, THE ORIGINAL PURCHASER, SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. EXCEPT FOR SUCH OTHER RIGHTS, THE REMEDIES PROVIDED UNDER THIS WARRANTY STATE THE LIMIT OF KNÚ, LLC'S RESPONSIBILITIES.

CAL 117 | CAL133

All Knú, LLC standard upholstered seating and the filling materials used in the construction of our seating, either meet or exceed the flammability requirements of Cal 117-2013. Knú, LLC will manufacture its seating when requested by a customer or where required by law to meet or exceed the flammability requirements of California Technical Bulletin 133. CAL TB133 requires actual tests of the complete unit and not just the components as CAL 117-2013 does. CAL TB133 is specific to the fabric, frame, and all filaments.

Knú, LLC recommends the use of a CAL 117-2013 Fabric, Fire Resistant Foam, and a Fire Resistant Barrier for a successful CAL TB133 burn test; however, this alone does not guarantee a product will pass the burn test. The cost of a burn test is $500 (net) plus the cost of the product, along with the barrier and the fabric. Please allow a minimum of six (6) weeks for the production of the product and the completion of the test. Once the product successfully passes the burn test a certificate will be supplied.

If you do not need actual certification, the product can be upholstered using Fire Resistant Foam and the Fire Resistant Barrier at an upcharge of $80 List per yard. Use the COM yardage requirements for your upcharge formula. COM yardage requirements are located on the individual product pages. (Please note that your COM fabric selection must pass CAL 117-2013 which will be stated in your fabric specifications.)

When sending in COM to have CAL TB133 added, Knú, LLC will need an additional yardage amount equal to either 5% of the total yardage, or 1 yard, whichever is the greatest. CAL TB133 cannot be added to leather.

CAL TB133 outlines the method and technique to which the furniture should be tested. Beyond that, it leaves classifications of furniture fabric to the discretion of the manufacturer/supplier of the fabric over which Knú, LLC has no control. Knú, LLC has tested a variety of chairs and fabrics with successful test results. Knú, LLC then cross-referenced similar models to see which ones would be applicable; however, this does not constitute a certification of an actual burn test.

The following upholstered frames have passed the CAL TB133 Fire Test for furniture manufactured for public area use. Please contact customer service for pricing and lead times.

Model	Textile
Dalton DL10	Maharam Article Flume (458600-013)
EV Collection E4017	CF Stinson Script Spearmint (ST10)
Harmony H5017	Arc-Com Frontier AC - 67492
	CF Stinson Script Palm (SCT 20)
	Maharam Medium Marina (022)
	Momentum Bravo Tumbleweed

UL Listing

All electrical components used in Knú, LLC products are UL listed. A UL listing for an entire Knú, LLC product can be obtained at an additional charge. Please contact customer service for pricing and lead times.

Note: Knú, LLC makes no recommendations or representations regarding whether CAL 133 certification or UL listing is required for the lawful use of Knú, LLC products. It is the sole responsibility of the customer to ascertain and comply with the laws, ordinances, regulations and codes of their particular jurisdiction that apply to their use of Knú, LLC products.

Product Take Back Program

Knú, LLC is proud to offer ANEW to customers dedicated to strengthening their community network by repurposing their furniture, fixtures, and architectural materials to those in need. In 2014, Knú, LLC committed to making this relationship a part of our strategic sales strategy. Visit www.anewfound.org for more information.

To initiate a product take back strategy, contact Customer Service at customerservice@getknu.com.

GREENGUARD Gold Certification
www.greenguard.org

GREENGUARD Gold Certification (formerly known as GREENGUARD Children & Schools Certification) offers stricter certification criteria, considers safety factors to account for sensitive individuals (such as children and the elderly), and ensures that a product is acceptable for use in environments such as schools and healthcare facilities. It is referenced by both The Collaborative for High Performance Schools (CHPS) and the Leadership in Energy and Environmental Design (LEED) Building Rating System.

level® Certification
www.levelcertified.org

BIFMA's e3 Furniture Sustainability Standard is a voluntary, multi-attribute standard that measures the degree of sustainability of furniture. This standard evaluates product and company environmental attributes and compliance systems in a wide range of elements, including Materials, Energy & Atmosphere, Human & Ecosystem Health, and Social Responsibility.

Additional Sustainability Information

For additional information on our environmental commitment and a full sustainability report, please visit
getknu.com/resources/company-resources/sustainability/

Moisture Barrier Options

Moisture barriers that are designed to prevent liquid penetration to the foam and other filling materials are available on most items at an additional charge. Moisture barriers are applied between the upholstery cover and filling materials. The following list price upcharge will apply to each surface on which the protective barriers may be applied.

Part Number/Description	List Price
MBB Chair/Recliner Back	59
MBS Chair/Recliner Seat	59

Dillon / Carson Pricing Grade

Upholstered product pricing grade "Dillon/Carson" is exclusive to products specified with the textiles Dillon by Culp Contract or Carson CV by Momentum Textiles & Wallcovering.

Dillon - Culp Contract
Content: 100% Polyurethane
Backing: 70% Polyester / 30% Cotton
For full specs, available colorways, & cleaning info, visit www.culpcontract.com

Carson CV - Momentum Textiles & Wallcovering
Content: 100% Clean Vinyl/Phthalate Free
Backing: Polyester
For full specs, available colorways, & cleaning info, visit www.momentumtextilesandwalls.com

Repeating/Matching Textile Patterns

Specified textiles that have a repeating pattern will be applied in a non-matching layout to increase yield. If a matching application is preferred, please contact customer service to request a quote.

COM (Customer's Own Material)

All Knú, LLC seating styles are available in COM. Prices are listed in the column containing the Grade of COM. Yardage requirements are based on non-directional 54" wide (between selvage edges) fabric. All fabrics must be backed with an appropriate type backing. Do not send wall coverings or drapery fabrics. COM material must be shipped from fabric supplier in continuous yardage. Knú, LLC cannot accept individual pieces of the same fabric.

Please complete the COM form and ship form along with the fabric sample for approval prepaid to:
Knú Design Center
ATTN: COM Department
P. O. Box 9, One Best Drive
Ferdinand, IN 47532

Once COM fabric has been approved send COM yardage to:
Knú, LLC DBA La-Z-Boy Healthcare | Knú Comfort
ATTN: COM Department
1300 North Broad Street, Leland, MS 38756

Please send purchase order to:
Knú, LLC DBA La-Z-Boy Healthcare | Knú Comfort
P.O. Box 9, Ferdinand, IN 47532
Fax: 812-367-2493
E-mail: orders@getknu.com

Knú, LLC must receive the purchase order prior to receiving the COM yardage. Lead time does not begin until the COM yardage has been received by the COM Department at Leland, MS.

Please attach a sample of your material to the COM form and indicate the direction it is to be applied. Unless otherwise directed, all COM will be applied up the roll with no pattern. Since some fabrics are reversible, please attach the fabric such that the exposed side is facing outward. Knú, LLC does not warrant COM fabrics.

Refer to individual product pages for standard COM yardage requirements. For fabrics with railroads or repeats please refer to the Textile Pattern Repeats chart on the following page.

When sending in COM to have CAL133 backing added, Knú, LLC will need an additional yardage amount equal to either 5% of the total yardage, or 1 yard, whichever is the greatest.

When COM is accepted, Knú, LLC assumes no responsibility for the appearance, behavior, or durability of the COM. Knú, LLC will inspect all COM fabrics upon receipt at the plant, but will not be held responsible for variations of dye lots, wear, fading, pattern matches, and/or flaws.

Textile Pattern Repeats

Specified textiles that have a repeating pattern will be applied in a non-matching layout to increase yield. If a matching application is preferred, please contact customer service to request a quote. Use the below to figure additional COM yardage required.

The chart below represents a patterned fabric being selected with a repeat. When a multiple repeat is present, the calculation for the yardage needed is determined by adding the vertical and horizontal measurements together and then referring to the chart for the extra yardage required. For example, on a guest chair a 4" vertical repeat and a 5" horizontal repeat requires 18.5% additional COM yardage if the pattern is directed across the roll, or 23.5% if the pattern is directed up the roll.

How to Order

The chart below is a guide to use in building a recliner model number for ordering. Base models and their available aesthetic styles and options are listed in the following sections of 350 Series and 450 Series recliners. Specify textiles and finishes, along with any additional options from the following pages. Recliner base pricing is determined by selected textile grade. Option prices for each base model are listed on individual product pages, along with availability.

	Aesthetic Style	Base Model	Arms	Multicover	Caster System
EXAMPLE	K Kure	0107 Mobile Recliner	J Solid Surface Arm Caps	Z Multiple Covers Selected	S Two-Caster Lock & Steer
	Denotes Back and Arm Design *See individual product pages for available Aesthetic Styles.* *Products with limited aesthetic styles may include this letter with the base model number.*	**Denotes Base Functionality** *'C' in front of model number indicates 'Chaise Continuous Leg Support.'*	**Denotes Arm Cap Selection** (F) Fully Upholstered Arms (no arm cap) (U) Urethane Arm Cap (J) Solid Surface Arm Cap	**Denotes if Multiple Textiles Specified** (Z) Multicover *If entire unit is specified in a single textile, leave this space blank.*	**Denotes Caster System Selection** (S) Two Caster Locking *Not available on 350 Series models.* *If no caster system selected, leave this space blank. Casters that are not part of a two-caster locking system are able to be locked individually.*

350 SERIES

Series Overview

Boasting several different designs and functionalities, the 350 Series is one of our broadest categories. With products designed specifically for controlled environments, such as senior living, wellness rooms, or office lounges, the 350 Series offers Gliders, Power Recliners, Three Position Recliners, and more. The common thread among all 350 Series models is the trusted comfort we have come to be known for.

General Product Information

- 350 lb Weight Rating
- Variety of stationary and mobile styles
- Power and manual operation styles
- Seat clean-out
- Field replaceable components

Options vary by model, see specific model page for list of available options

Refer to pg 107 for full option details and images

To Order, Specify

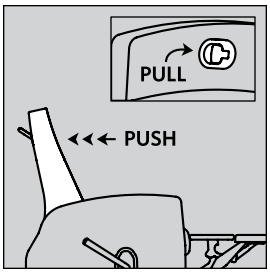
450 SERIES

Series Overview

The 450 Series is our entry-level recliner offering for uncontrolled healthcare environments. Available in Max and Kure aesthetic styles, the 450 Series utilizes independent leg support and back angle adjustments. Both styles are available with several of our most popular “add-on” options to make them a practical choice for a utility recliner when price is a concern, while not sacrificing quality or comfort.

General Product Information

- 450 lb Weight Rating
- Designed for 24/7 use healthcare environments
- Manually operated recline functionality
- Independent footrest and back adjustment
- Seat Foam Density: 2.3 High Resiliency
- Back Foam Density: 1.75 High Resiliency
- Seat clean-out
- Mid-Ottoman Calf Support
- Infinite Position Back reclines to infinite angle positions
- All interior plywood California Carb Compliant/Phase II
- Field replaceable components



Infinite Position Locking Back

Allows patient/caregiver to lock back into any position. Lock lever located inside left (facing) arm on applicable models, unless otherwise noted/pictured.

How to Order

The chart below is a guide to use in building a recliner model number for ordering. Base models and their available aesthetic styles and options are listed in the following sections of Durable® Series healthcare recliners. Specify textiles and finishes, along with any additional options from the following pages. Recliner base pricing is determined by selected textile grade. Option prices for each base model are listed on individual product pages, along with availability.

	Aesthetic Style	Base Model	Arms	Multicover	Heat/Massage	Caster System
EXAMPLE	KM Kadia Mod	1117 Mobile Healthcare Recliner	J Solid Surface Arm Caps	Z Multiple Covers Selected	HM Heat & Massage	Q Central Locking
	Denotes Back and Arm Design *See individual product pages for available Aesthetic Styles.* *Images of all styles within Durable® Series shown below.*	**Denotes Base Functionality** *'C' in front of model number indicates 'Chaise Continuous Leg Support.'* *Chart below lists each Durable® recliner series.*	**Denotes Arm Cap Selection** (F) Fully Upholstered Arms (no arm cap) (U) Urethane Arm Cap (J) Solid Surface Arm Cap (T) Thermofoil Arm Cap	**Denotes if Multiple Textiles Specified** (Z) Multicover *If entire unit is specified in a single textile, leave this space blank.*	**Denotes Heat and Massage Selection** (H) Heat (HM) Heat & Massage *Above codes still apply to model number when wand controlled option is selected (HW, HMW). Note HW or HMW with other options when ordering to specify.* *If no heat or massage option selected, leave this space blank.*	**Denotes Caster System Selection** (Q)* Central Locking (S) Two Caster Locking **Use for any caster system containing 'Q'* *If no caster system selected, leave this space blank. Casters that are not part of a central or two-caster locking system are able to be locked individually.*

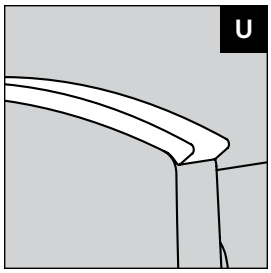
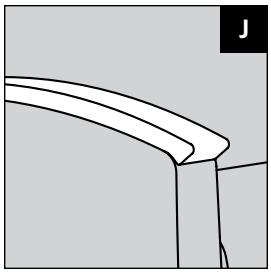
Arm Cap Options



Urethane

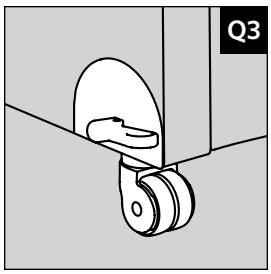
Available in multiple styles (refer to product page for availability). See pg 2 for finishes.



Solid Surface

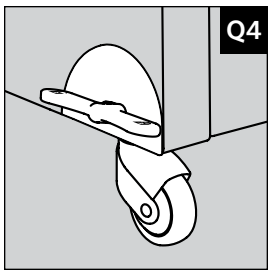
Available in multiple styles (refer to product page for availability). See pg 2 for standard Group 1 and Group 2 finishes. Additional solid surface finishes are able to be specified, contact customer service for pricing.

Caster Options



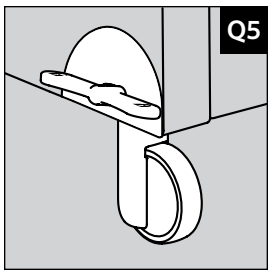
3" Dual Wheel Central Locking Caster System

Controlled by 2-position lever located at front of chair on left (facing) arm.



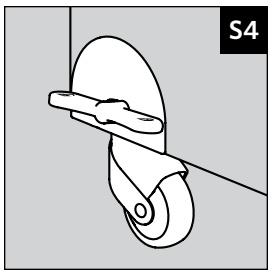
4" Central Lock & Steer Caster System

Controlled by 3-position lever located at front of chair on left (facing) arm. Steer setting locks rear casters to forward-facing orientation. Neutral setting allows all casters to swivel freely. Lock setting locks recliner into stationary position.



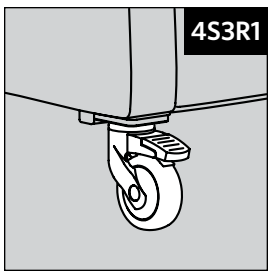
5" Central Lock & Steer Caster System

Controlled by 3-position lever located at front of chair on left (facing) arm. Steer setting locks rear casters to forward-facing orientation. Neutral setting allows all casters to swivel freely. Lock setting locks recliner into stationary position.



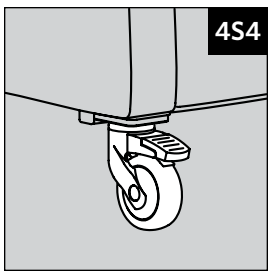
4" Two Caster Lock & Steer

Controlled by 3-position lever located at back of chair on left (facing) arm. Steer setting locks rear casters to forward-facing orientation. Neutral setting allows all casters to swivel freely. Lock setting locks recliner into stationary position.



4" (3) Swivel / (1) Rigid Individual Locking Casters

All casters lock individually with lock tabs attached to each caster. Right front caster remains in forward facing orientation to aid in forward movement. Three remaining casters swivel 360 degrees.

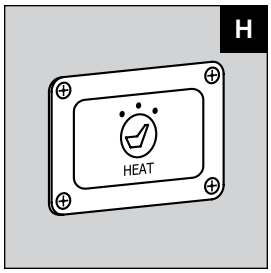


4" (4) Swivel Individual Locking Casters

All casters lock individually with lock tabs attached to each caster. All four casters swivel 360 degrees.

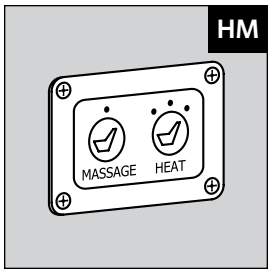
Note: *Selecting a different caster size option than the standard on a particular model will increase or decrease the recliner seat height by the difference in caster sizes. (E.g., Exam Lift Recliners with standard 3" casters will have two inches added to seat height when the Q5 option is specified).*

Heat & Massage Options



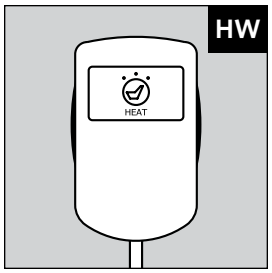
Heat
(In-Arm Controls)

IEC 60601-1 Certified.
Controls located inside left (facing) arm. Includes 10' cord with ground plug. Three heat settings, ranging 97° low to 105° high. Automatic shutoff after one hour.



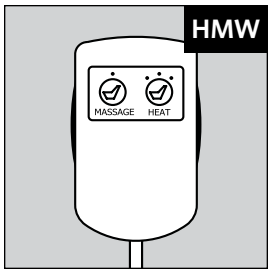
Heat & Massage
(In-Arm Controls)

IEC 60601-1 Certified.
Controls located inside left (facing) arm. Includes 10' cord with ground plug. Three heat settings, ranging 97° low to 105° high. Automatic shutoff after one hour (Heat) or 15 minutes (Massage).



Heat
(Wand Controls)

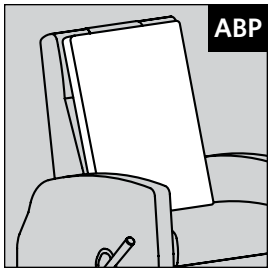
IEC 60601-1 Certified.
Controls located on attached control wand. Includes 10' cord with ground plug. Three settings, ranging 97° low to 105° high. Automatic shutoff after one hour.



Heat & Massage
(Wand Controls)

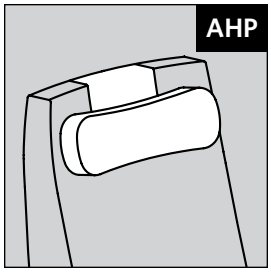
IEC 60601-1 Certified.
Controls located on attached control wand. Includes 10' cord with ground plug. Three heat settings, ranging 97° low to 105° high. Automatic shutoff after one hour (Heat) or 15 minutes (Massage).

Patient Wellness & Comfort Options



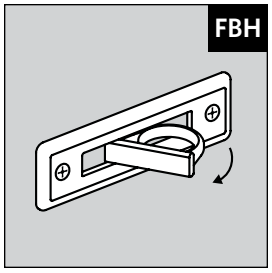
Adjustable Back Pad

Pad comprised of memory foam, adds additional cushioning to back. Two styles to match recliner back shape.
E models: ABP-E
R, K, KM/L, H, wingback models: ABP-R
COM requires 1.75 yds.



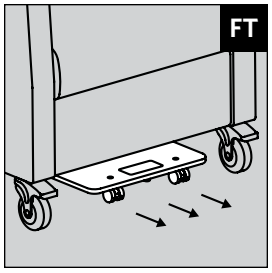
Adjustable Head Rest Pillow

Pillow comprised of memory foam. Weighted strap slides through push bar on back of recliner to hold pillow in desired position. Pillow and strap both upholstered in same textile as recliner back.
COM requires 1 yd.



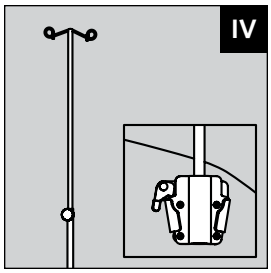
Foley Bag Holder

Accommodates Foley bags and other drainage bags. Closes flush with recliner when not in use. Located in arm opposite of handle side near front.



Foot Tray

Connected foot tray pulls out to support user's feet in seated position (not intended as step). Slides underneath recliner when not in use.

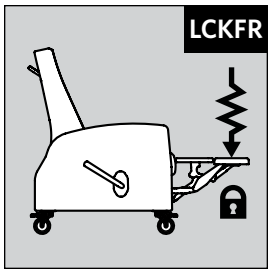


IV Pole & Bracket

Positioned on right (facing) arm toward back. IV pole is height adjustable. Attached via included QR Bracket.
Dual IV Poles (right/left): DP

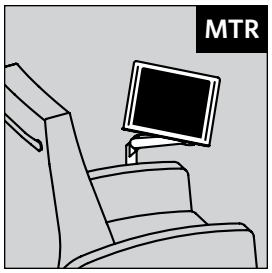
LiquiCell

Aids in process of helping prevent pressure ulcers. Installed in seat (underneath textile), ultra-thin cells containing liquid that is in constant motion in order to reduce shear and friction for user. Included at no charge on recliners specified with Heat & Massage or Heat options.



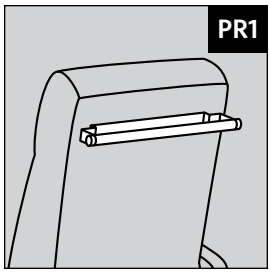
Orthopedic Locking Footrest

Recliner footrest locks completely into position when engaged and can only be adjusted with recline handle (or control wand on power models). Helps prevent unintentional movement of user's lower body/abdomen.



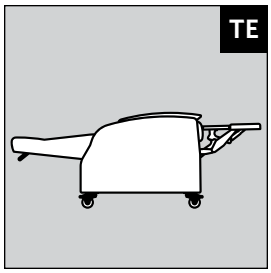
Monitor Arm with Tray

Adjustable arm designed to hold tablet or screen. Attached to recliner arm via included QR Bracket, standard on right side (facing). Tray/monitor connects to arm with VESA bracket.
Left side (facing): MTL
Right side (facing), w/o Tray: MR
Left side (facing), w/o Tray: ML



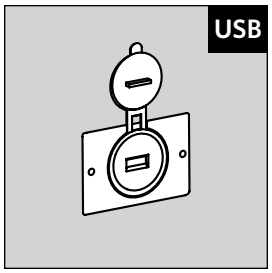
Paper Roll Holder

Accommodates exam paper rolls up to 21.25" wide. Takes place of Push Bar. Paper roll sold separately.



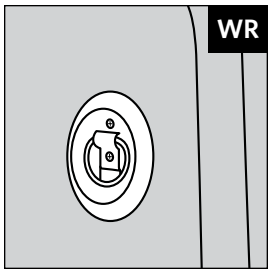
Trendelenburg

Allows additional 10° recline pitch in order to elevate user's feet above head. Engaged via non-handed foot pedal (or control wand on power models).



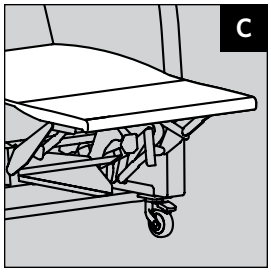
USB Power Outlet

IEC 60601-1 Certified.
Supplies power via USB-A port. Connected rubber plug provides protection to port when cleaning. Standard position on right (facing) arm.



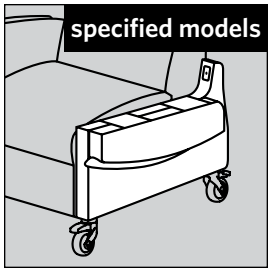
Wrist Restraint Mounts

Located on outside of arms (both sides). Metal loops accommodate wrist restraints.



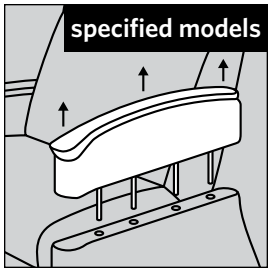
Chaise Continuous Leg Support

Continuous upholstery from back of seat to end of footrest. (Non-chaise leg support utilizes separately upholstered mid-ottoman and footrest pieces)



Fold Down Transfer Arm

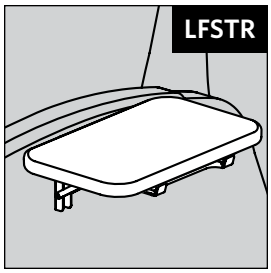
Allows lateral transfer of patient. Folding portion of arm is released by spring-loaded pull lever on back of arm. Available in left, right, or dual side configurations. When arm is in down position, adds 4" to overall width of recliner.



Removable Transfer Arm

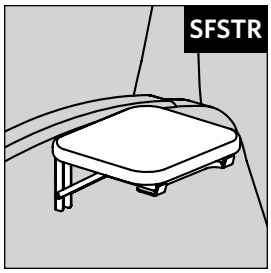
Allows lateral transfer of patient. Available in left, right, or dual side configurations.

Tray Table Options



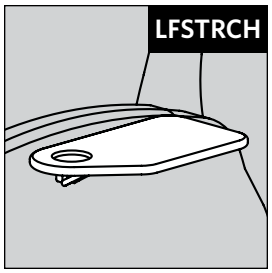
Large Folding Side Tray

Folds out to reveal table surface, standard on right side (facing). Measures 17" L x 10.7" W. Extends 2.5" from chair arm when in down position.
Left side (facing): LFSTL



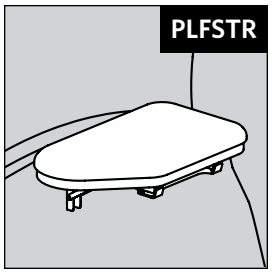
Small Folding Side Tray

Folds out to reveal table surface, standard on right side (facing). Measures 12" L x 10.7" W. Extends 2.5" from chair arm when in down position.
Left side (facing): SFSTL



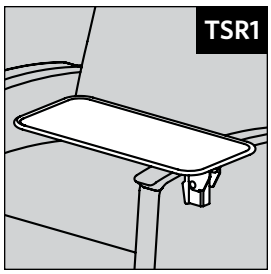
Large Folding Cup Holder Side Tray

Folds out to reveal table surface with recessed area to accommodate beverage, standard on right side (facing). Measures 23"L x 10.7" W. Extends 2.5" from chair arm when in down position.
Left side (facing): LFSTLCH



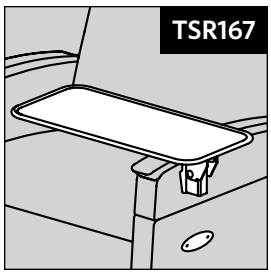
Padded Large Folding Side Tray

Folds out to reveal upholstered surface, standard on right side (facing). Padded to allow patients to comfortable rest arm during treatment. Measures 17" L x 10.7" W. Extends 2.5" from chair arm when in down position.
Left side (facing): PLFSTL
COM requires 1 yd.



Adjustable Side Tray

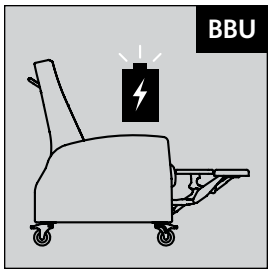
Tray swivels at base and can be positioned vertically at side of arm when not in use (extends 4" from arm). Measures 23" L x 10.7" W. Attached to recliner arm via included QR Bracket, standard on right side (facing). Access to handle may be impeded when specified on handle side.
Left side (facing): TSL1
Dual sides: TD3



Adjustable Side Tray (On Fold Down Arm)

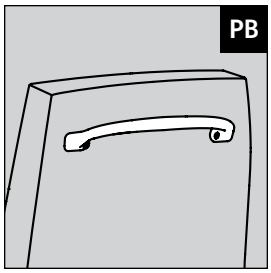
Same specifications as Adjustable Side Tray (TSR1), attached to fold down transfer arm. Strike plate installed on side of recliner arm to protect upholstery from QR bracket when arm is folded down.
Left side (facing): TSL167
Dual sides: TD362

Additional Features & Options



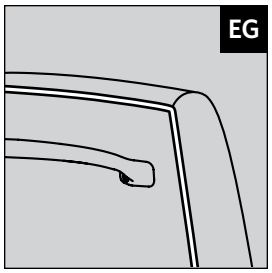
Battery Back Up

Provides back up power supply to allow recliner functions on applicable power recliners when disconnected from power source. Battery unit charges when recliner is connected to power source. Not intended as substitute for regular operational usage.



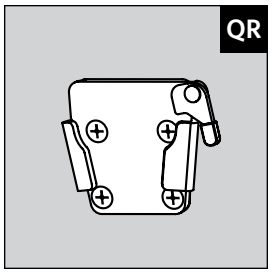
Push Bar

Aids in ease of movement of mobile healthcare recliners. Attached to back of applicable recliners.



Protective Edge Guard

Plastic piping installed around back edges of recliner to protect from minor abrasions.



Additional Quick Release Accessory Bracket

Additional attachment bracket for IV Pole and other various accessories. (Options requiring QR Bracket include the necessary bracket/hardware) Mounted into metal insert nuts in recliner arm.

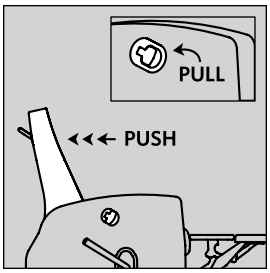
DURABLE® 550 SERIES

Series Overview

The Durable® 550 Series is our collection of Rocker Recliners, all featuring the patented Durable® unitized mechanism, which harmonizes motion of the back, footrest, and seat for smooth, full-body movement. Available in both stationary and mobile configurations, as well as patient transfer options, all models in the Durable® 550 Series boast a full flatbed sleep position and a 550 lb weight capacity to make them an exceptional fit for healthcare applications where comfort is key.

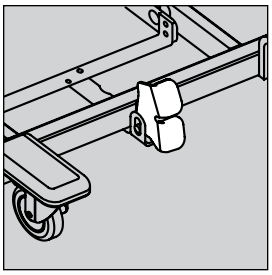
General Product Information

- 550 lb Weight Rating
- Stationary or mobile base allows rocking functionality
- Designed for 24/7 use healthcare environments
- Manually operated recline functionality
- Footrest and back move in harmony when engaged
- Quick removable back & lift up seat for ease of cleaning
- True flatbed sleep position
- Sinuous spring seat and back
- Seat clean-out
- Mid-Ottoman Calf Support
- Infinite Position Back reclines to infinite angle positions
- All interior plywood California Carb Compliant/Phase II
- Field replaceable components



Infinite Position Locking Back

Allows patient/caregiver to lock back into any position. Lock lever located outside left (facing) arm on applicable 550 Series models, unless otherwise noted/pictured.



Rocker Lock Mechanism

Mobile Rocker Recliners feature a pedal on rear of base to lock & unlock rocking motion, allowing easier entry or exit of chair by users.

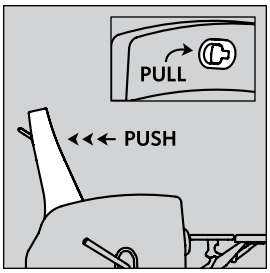
DURABLE® 650 SERIES

Series Overview

The Durable® 650 Series is our premier collection of mobile healthcare recliners. Featuring a patented unitized mechanism (which harmonizes motion of the back, foot rest, and seat for smooth, full-body movement), 650 lb weight capacity, full flatbed sleep position, and near limitless option configurations to adapt to any environment, the Durable® 650 Series truly encapsulates our core product values of Comfort, Durability, and Performance to make it a recliner choice trusted by patients and caregivers alike.

General Product Information

- 650 lb Weight Rating
- Designed for 24/7 use healthcare environments
- Standard & compact/pediatric width options
- Manually operated recline functionality
- Footrest and back move in harmony when engaged
- Quick removable back & lift up seat for ease of cleaning
- True flatbed sleep position
- Sinuous spring seat and back
- Seat clean-out
- Mid-Ottoman Calf Support
- Infinite Position Back reclines to infinite angle positions
- All interior plywood California Carb Compliant/Phase II
- Field replaceable components



Infinite Position Locking Back

Allows patient/caregiver to lock back into any position. Lock lever located inside left (facing) arm on applicable models, unless otherwise noted/pictured.

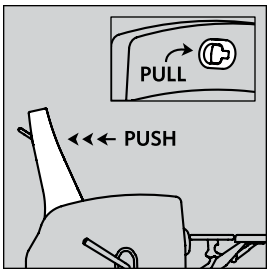
DURABLE® 750 SERIES

Series Overview

The bariatric sibling of the Durable® 650 Series, the Durable® 750 Series delivers the same comfort, performance, and durability, along with a wider 29" seat width and 750 lb weight rating. Featuring the patented Durable® unitized mechanism for smooth, full-body motion and near limitless option configurations, the Durable® 750 Series ensures that all patients have access to a comfortable and safe seating space.

General Product Information

- 750 lb Weight Rating
- Designed for 24/7 use healthcare environments
- Seat width 29"
- Manually operated recline functionality
- Footrest and back move in harmony when engaged
- Quick removable back & lift up seat for ease of cleaning
- True flatbed sleep position
- Sinuous spring seat and back
- Seat clean-out
- Mid-Ottoman Calf Support
- Infinite Position Back reclines to infinite angle positions
- All interior plywood California Carb Compliant/Phase II
- Field replaceable components



Infinite Position Locking Back

Allows patient/caregiver to lock back into any position. Lock lever located inside left (facing) arm on applicable models, unless otherwise noted/pictured.

To Order, Specify

- Model Number
- Textile
- Finish
- Options

Options vary by model, see specific model page for list of available options

DURABLE® POWER SERIES

Series Overview

The Durable® Power Series combines over a half century of recliner mastery with leading, proven technology to create something completely new to the healthcare space—fully adjustable infinite position power recliners featuring weightless zero gravity capability. The intuitive control wand is preset with easy access buttons for the most common positions, while individual movement controls allow users to fine tune the footrest, back, and seat angle to their specific level of comfort. These features are found across healthcare recliners and healthcare recliners with lift assist functionality.

General Product Information

- 650 lb Static / 500 lb Dynamic Weight Rating
- Designed for 24/7 use healthcare environments
- Available with Lift Assist function
- Power operated recline functionality via control wand
- Footrest, back, and seat pitch can be controlled independently and precisely
- Control wand preset buttons include: Trendelenburg, Sleep, Zero Gravity, and Home (base position)
- Quick removable back & lift up seat for ease of cleaning
- True flatbed sleep position
- Standard with Chaise Continuous Leg Support feature
- Sinuous spring seat and back
- Seat clean-out
- Mid-Ottoman Calf Support
- Infinite Position Back reclines to infinite angle positions
- All interior plywood California Carb Compliant/Phase II
- Field replaceable components

Options vary by model, see specific model page for list of available options

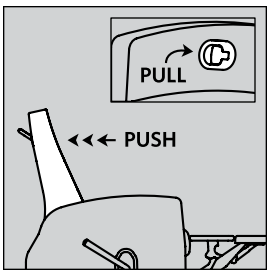
DURABLE® EXAM LIFT SERIES

Series Overview

The Exam Lift Series is engineered with threefold functionality as a recliner, exam surface, and sleep space (with true flatbed position). Exam Lift Series recliners raise to a 36" exam height in all positions, while providing trusted comfort, performance, and durability. For enhanced safety, a central locking caster system is standard on all models to secure the chair when the user is elevated, and a locking leg support mechanism prevents the footrest from lowering unintentionally.

General Product Information

- 650 lb Static / 500 lb Dynamic Weight Rating
- Designed for 24/7 use healthcare environments
- Raises to exam height via non-handed power foot pedal
- Power or manually operated recline functionality
- Footrest and back move in harmony when engaged
- Quick removable back & lift up seat for ease of cleaning
- Standard with Chaise Continuous Leg Support and Trendelenburg features
- Standard with Orthopedic Locking Footrest
- Sinuous spring seat and back
- Seat clean-out
- Mid-Ottoman Calf Support
- Infinite Position Back reclines to infinite angle positions
- All interior plywood California Carb Compliant/Phase II
- Field replaceable components



Infinite Position Locking Back

Allows patient/caregiver to lock back into any position. Lock lever located inside left (facing) arm on applicable models, unless otherwise noted/pictured. (manual recline models)

Base Model & Arm Pricing

Select base pricing below dependent on your selection of 78" seat width (N78XXXUF) or 70" seat width (N70XXXUF), and selected textile grade. If 3" arms or 5" arms are selected, use the chart below to find the upcharge based on textile grade.

Base models are standard with upholstered fixed front, wood legs, and no arms. Selections made on the following page will affect the model number and list price.
