

## DURABLE® POWER SERIES

### Series Overview

The Durable® Power Series combines over a half century of recliner mastery with leading, proven technology to create something completely new to the healthcare space—fully adjustable infinite position power recliners featuring weightless zero gravity capability. The intuitive control wand is preset with easy access buttons for the most common positions, while individual movement controls allow users to fine tune the footrest, back, and seat angle to their specific level of comfort. These features are found across healthcare recliners, exam lift recliners, and healthcare recliners with lift assist functionality.

### General Product Information

- 650 lb Static / 500 lb Dynamic Weight Rating
- Designed for 24/7 use healthcare environments
- Styles include recliners, recliners with lift assist function, & exam lift treatment recliners
- Power operated recline functionality via control wand
- Footrest, back, and seat pitch can be controlled independently and precisely
- Control wand preset buttons include: Trendelenburg, Sleep, Zero Gravity, and Home (base position)
- Quick removable back & lift up seat for ease of cleaning
- True flatbed sleep position
- Standard with Chaise Continuous Leg Support feature
- Sinuous spring seat and back
- Seat clean-out
- Mid-Ottoman Calf Support
- Infinite Position Back reclines to infinite angle positions
- All interior plywood California Carb Compliant/Phase II
- Field replaceable components

### Options vary by model, see specific model page for list of available options
