How to Order

The chart below is a guide to use when building the Max sleep sofa model number for your purchase order. Please select the model with seat width preferred, the arms, and then the options you would like your sleeper to have. If options are not desired, please leave space blank. List your textile, finish, and options below the model number. Price is determined by fabric grade choice. Options are in addition to the sleeper base price (listed above).

Example Below

*Options are not available on all models. Please refer to individual product pages for availability.

MAX SLEEP SOFA BUILDER
